

I am standing with the Attorney General of Indiana in opposing any weakening of our DO NOT CALL LIST. I do not wish to receive calls from any bank or other source unless I request them to do so. I put my name on the list because the majority of the calls I did receive was from banks and mortgage companies. Please do not allow the banks or other sources to weaken our law. We need it to stay in place as is. Thank You , Sincerely and Honestly speaking Cathy Onkes
